## TFM LAUNCHED THE GARENGAZE COMPLEX CONSTRUCTION WORKS

The launching ceremony for the Garenganze Complex construction works took place this week on Thursday, October 27 near Mount Nkulu in Bunkeya. By launching the construction works for the Msiri 1er Technical School, TFM will play a major role in this large project by providing financial and construction supervisory support.

Attending the event were Mwami Godefroid Kanyeranya, his wife and many guests. The TFM delegation was led by Mike Ciricillo, Vice President - Administration. The Garenganze Complex also will accommodate the Royal Museum, the Kitanika Library, Musanfy Administrative Building, Luhinda Cultural Center, Shombeka Sociopolitical Analysis Bureau and the Mwena Sporting Center, as well as the headquarters for the Mwami Msiri 1er Foundation.

Speaking on behalf of the Mwami, the chief of staff lauded TFM for its contribution. Stating that "the Msiri 1er Technical School will train students in trades and practices necessary for the changing world." The chief of staff recognized the support that TFM has committed to providing effective training for the youth, who are the future of the nation.

This commitment was confirmed by Mike Ciricillo who spoke at the ceremony, saying "The youth are the future of the nation and we are committed to contributing to their education. We are certain that in this way our company is investing in the sustainable development of the community and the country."

Finally, Mr. Yannik Simon, TFM Manager - Social Programs, invited the Mwami to cut the symbolic ribbon, revealing to the audience the architecture of the future Garenganze Complex. Soon after, TFM's NIC Department team activated the dozer to clear the site for the buildings to be constructed, accompanied by the applause of the people attending the ceremony. ■
